Subject: Directive to Submit Review Response, Staker Parsons Companies, Daniel's Canyon Mine, M/051/0008, Wasatch County, Utah

Dear Mr. Dalley:

On March 1, 2012, the Division of Oil, Gas and Mining received a series of 10 maps and cross sections of the referenced mine. This was in response to the Division's January 25, 2012, letter asking that you submit a map showing the areas included in the reclamation surety. You were notified by letter dated March 9, 2012, of items in the maps needing to be corrected.

No later than November 2, 2015, please re-submit these maps together with all other maps, figures, text, and appendices for a complete Notice of Intention to Commence Large Mining Operations.

Thank you for your cooperation. Please contact Leslie Heppler at 801-538-5257 if you need further information about the items needed.

Sincerely,

Paul Baker
Minerals Program Manager
